- You are **NOT** a Michigan resident, **and**
- You are attempting to clear your Michigan driving record, **and**
- The licensing action you are appealing does not involve a fatality.

You will not have to appear in person for an administrative review. You will receive a decision by mail or electronically. If the decision is unfavorable, you can still request an in-person or video hearing. You may only request one administrative review in any 12-month period. Please place a check mark next to the statement below **if you would like an administrative review instead of a hearing.**

___ I am requesting an administrative review. I understand that the administrative review will be based on the written proofs that I submit along with this form, and that the department may or may not accept additional evidence. I understand that previous license appeal orders may be considered in making a decision. I also understand the administrative review will not be recorded and that no testimony will be taken. I further understand the decision will be mailed or made available electronically after the administrative review has been completed. Selecting this option does not affect my eligibility for a hearing.
